

# EVERY CHILD Deserves Quality Dental Healthcare.

**give kids a  
smile!**

**Children's Dental  
Access Program**

## **Capital City Give Kids A Smile (GKAS)**

invites all West Virginia Families with children ages 2-18, who do not have dental health insurance to attend this event. All children will receive an exam by a dentist, x-rays and a cleaning. Limited restorative treatment may be done if time permits on this day after the exam and cleaning have been completed.
