Who Qualifies for WVCHIP?

- ◆ **Age** - Children under age 19.
- ◆ **Income** - Your Modified Adjusted Gross Income (MAGI) on line #37 on the 1040 Income Tax Form is how your income is counted. MAGI is the income shown after certain tax deductions you may take, such as some self-employment taxes, health savings account, student loans, IRA deductions, alimony, etc. All adults, parents, and spouses in the household is counted income. All individuals claimed as tax dependents is counted in household size.

Family Size	WVCHIP Gold Income	WVCHIP Blue Income	WVCHIP Premium Income
2	\$23,595	\$33,191	\$47,190
3	\$29,685	\$41,757	\$59,370
4	\$35,775	\$50,324	\$71,550
5	\$41,865	\$58,891	\$83,730
6	\$47,955	\$67,457	\$95,910

Eff. 3/2014

- ◆ **Insurance** - Eligible children may not be enrolled in other insurance in addition to WVCHIP.
- ◆ **Copayments** - The WVCHIP Gold has no copays on preventive care, dental, vision or generic prescriptions. Higher income families have co-pays for inpatient services, outpatient procedures, and emergency room visits, as well as dental services for those in Premium. All members will be subject to a copay on brand name prescriptions. For more information on copays, visit www.chip.wv.gov.
